

125 YEARS  
*City Tattersalls Club*

Dear Members,

Sad news this week with the passing of our Club Patron and former Chairman John Healy OAM last Tuesday. View a video tribute to John by our Chairman Patrick Campion, just press on the link in the section below.

On a brighter note, with the easing of the restrictions, the Club can now open its doors with a new Cafe in the foyer. We are limited to 10 people in the cafe at any one time, with the rest of the Club is still closed. Come and drop in, say hello to the Staff and other Members, not only can you have coffee and a meal with a wine or beer with that meal, but you can also take home some takeaway alcohol to enjoy.

In this issue, exercise with Dani and Karlo, then make up your Happy Hour Cocktail, which this week is "Spiced Rum Apple Cider and Ginger Beer", sounds like just the thing to cool down with after a hard workout.

As restrictions ease and you have family and friends come to visit, surprise and delight them with a Turkish Pavlova, definitely a family favorite in my household.

Enjoy this issue of the City Tatts Update.

All the best

Kevin Chiew  
Head of Marketing and Communications

## Happy Hour Drinks

Creating a delicious cocktail requires dexterity, taste and most of all, the right ingredients. We're introducing something a little different this week, a cocktail using apple cider. This base is ideal for cocktails for the autumn and winter, and great to try when you have the time to perfect the flavours yourself.

Our Spiced Rum Apple Cider with Ginger Beer is rich in history, with this daring combination going back to the 1800s. Enjoy!

### ***City Tattersalls Club, 125 Years In The Making***

Did you know? City Tattersalls Club hosted its first snooker championship two months after the Club's official formation. 59 players entered the tournament on December 2<sup>nd</sup>, 1895.

The room formally known as the 'Laurie Taylor Games Room' had six magnificent full-sized snooker tables and was the venue for several exciting national and international snooker championships throughout the years.
